

**OFFICE OF THE DIRECTOR GOVERNMENT MEDICAL COLLEGE,
MAHABUBNAGAR :: TELANGANA STATE**

MEDICAL EDUCATION UNIT

The Medical Education Unit (MEU) focuses on establishing a systematic Faculty Development Programmes (FDP). The team aims to guide faculty to cope with new teaching tasks and encourages the trainees to build important career relationships with peers, mentors and academicians who contribute to academic advancement.

The Medical Education Unit (MEU) team comprises the Core Committee of MEU and the Curriculum Committee and the members have been trained at the different Regional Centers of NMC.

The MEU boasts on the well-equipped Skills Lab available in the College Premises. The mannequins in the skills lab highly complements the latest teaching learning process. Regular FDPs are being conducted under the surveillance of the Regional Center, MRMC Kalaburigi as per the directives of the NMC.

The faculty members in the team have been trained in several domains as Basic Course in Medical Education (BCME), Curriculum Implementation Support Program (CISP), Advanced Course in Medical Education (ACME) and FAIMER.

OBJECTIVES OF THE MEU:

1. Faculty development by holding Seminars/Workshops/Conferences/CME.
2. Curriculum development (UG & PG) as per latest NMC guidelines.
3. Updating & Implementation of latest NMC guidelines for UG/PG examination.
4. Supervise/coordinate overall educational development of the Institute.
